**IDALIA AND RODY
GOMEZ**

Rody and Idalia Gomez met and raised their family in Miami. Their children, Cristina and Ryan, both graduated from Miami Country Day School, where they were active leaders and a part of the Spartan family.

Beyond their successful business ventures, which include Rody Truck Center of Miami, Rody and Idalia are known for their philanthropic efforts. They are passionate about giving back to their community, and supporting causes that promote education, healthcare, and economic development. They took a special interest in the students at Kloda Whitebook Keshet Academy about a decade ago, and Idalia has been a member of the Board of Directors ever since. Together, Rody and Idalia are a shining example of what can be achieved through hard work, determination, and a commitment to excellence.

In their free time they love cooking, traveling and playing golf.

Quest of Honor

**DR. AMI
FLAM KUTTLE**

Dr. Ami Flam Kuttler was born and raised in North Miami Beach, Florida. She graduated from NMB Senior High in 1991 and attended University of Michigan, where she studied psychology and graduated with Highest Distinction and 8th in her class of 3859. She received her doctoral degree in child clinical psychology from the University of Miami in 2000, where she conducted research on children's peer relationships. She has been in private practice in Hollywood, Florida since that time, specializing in psychoeducational evaluations of children with learning disabilities, ADHD, developmental disabilities, autism spectrum disorder, and emotional difficulties.

Dr. Kuttler is married to Matt Kuttler who attended Hillel and also graduated from North Miami Beach Senior High and the University of Michigan. They have three children together, Ryan (age 22), Ali (age 20), and Benny (age 17).

Student Volunteer Award Recipients

**EDEN LUGASSY
AND
SOPHIA LUSTIGMAN**

Eden has always been excited and optimistic about helping others and contributing to the community. She has dedicated countless hours toward promoting Keshet's social media. When the opportunity arises, Eden joins a Keshet class to interact and engage with the students and put a smile on their faces. Attending events and learning more about Keshet has motivated Eden to give even more back and make a larger difference. Eden is the type of girl who loves to make everyone around her feel comfortable and assured. When she walks around school, Eden always makes sure to stop and have a conversation with a Keshet student or simply smile when walking by.

Eden has attended Scheck Hillel Community school since the 9th grade and was a member of the Varsity Girls soccer team in grade 11. She has also participated in the Southern NCSY Jewish teen program since the 8th grade. She has earned a total of 180 community service hours with NCSY. This year Eden joined the NO CAP club run by NCSY, and along with a group of students, traveled to Puerto Rico to help rebuild homes destroyed during Hurricane Ian. She has also been active in the We Are One non profit organization, delivered food to needy Jewish families, and volunteered at various community events.

Eden was raised in a Hebrew speaking Israeli household, along with her brother, David and sister, Leighann. Eden is eager and excited to move to Israel to attend Reichman University, where she plans to major in marketing and communications.

Sophia Lustigman is a senior at Scheck Hillel Community School. Sophia has always been passionate about helping others and giving back to her community. She has been a volunteer at the Friendship Circle since 8th grade. She has also been an active member of NCSY for the past 2 years. In addition to her full schedule, Sophia was a proud member of the Scheck varsity basketball team. When Sophia found extra time on campus, she started volunteering for Keshet, spending her extra time in the Keshet classrooms and socializing with the students on campus. Sophia spent significant time working with our students on their social skills and helping them be more comfortable in social situations on campus. Together with Eden Lugassy, Sophia helped manage Keshet's social media and has taken the time to volunteer at Keshet events within the community.

Sophia comes from a large extended family, and is very family oriented. She is an only child and is especially close with her grandparents. She spends a lot of free time at the beach and participates in beach cleanups regularly. She has also been a long time participant in the Scheck Hillel environmental club. Sophia is looking forward to studying in Israel and pursuing a degree in psychology.

MESSAGE FROM RABBI DR. EZRA LEVY EXECUTIVE DIRECTOR

It is hard to believe that we are almost at the end of the **Kloda Whitebook Keshet Academy's** 28th school year. On our first day of school in 1995, we had just four lower school students enrolled. How our school has grown! 28 years and hundreds of students later, we have educated more than a generation of children with learning disabilities and special needs. People often say leadership can be a difficult position, that it's lonely at the top. But in Keshet, nothing could be further from the truth. Not one of us has the ability to do this on our own. We know we are all part of something greater. Keshet is an organization backed by a community with one goal in mind: a Jewish special education. At Keshet we have the most dedicated staff, volunteers, board members and community.

Our board members and teaching staff show me daily that "effortless" means simply doing something you love with a passion, knowing you are changing the world. A world that can only be enhanced through a team effort. This is a belief and concept which we live and breathe daily. Watching our students and teachers share the classroom every day, brings a sense of pride and joy in knowing that we are truly shaping the future. Our best efforts are constantly enhanced by generous individuals, other local organizations, the continued support of the Greater Miami Jewish Federation, and our host school, Scheck Hillel Community School.

As Keshet professionals, we have the luxury and privilege of being with our students every day, and we see the daily success our children achieve. The people touched by our amazing organization extend far beyond our students. Our children, their families, our dedicated staff, our community of lay leaders, volunteers and donors are all members of the Keshet family.

You are individuals who care, give of your time, money, and self in ways unmeasurable. Please know that we, on campus, have you to thank for the miracles performed daily. Because of you, we have the ability to take each day and make it a new beginning for our students. You inspire, motivate, influence and embolden us to continue shaping and molding the future generations of this amazing community.

Thank you all for joining us this evening to recognize our honorees, Idalia & Rody Gomez and Dr. Ami Flam Kuttler, as well as our student volunteer award recipients, Sophia Lustigman & Eden Lugassy. While I acknowledge that there aren't enough words to truly convey our appreciation for everyone here this evening, I do thank you on behalf of all our families.

Rabbi Ezra Levy, Ed.D.

MESSAGE FROM EILEEN GINZBURG

ASSISTANT DIRECTOR

Many of you know that I am a Broadway aficionado. When thinking about this year's dinner, complete with a casino and card games, my mind immediately starts singing *Luck Be A Lady Tonight* and *With a Little Bit of Luck!* We know that a casino is a place with games of chance and winning is simply the luck of the draw. Of course that is the antithesis of what happens each day at Keshet. Our team leaves little to chance! Keshet's dedicated team of educators is committed to providing a high level of excellence in education in a Jewish environment for each child enrolled in our school. Planning together and thinking of possible outcomes of instruction is part of what happens on a daily basis. Our teachers prepare their lessons anticipating various possible outcomes and have multiple materials at their disposal to shift instruction as needed. This is not based on luck, but on careful collaboration with the goals for each of our students guiding the journey.

Each year at the siddur and chumash presentations, sporting events, theatre presentations, winter and spring concerts, and graduation, our families marvel at how fortunate they feel seeing their children in the limelight with their talents in full display. All of us who are blessed to be part of the Keshet family share tears of utter joy at each of these school milestones! Again, this is not the result of luck but simply the commitment to our students and respecting who they are and how they learn. We are truly grateful to provide this extensive Jewish experience on the Scheck Hillel campus giving our students educational and social mainstreaming opportunities.

Yes, our team of professionals is ensuring that each day the magic on campus happens. However, this cannot happen without the

support of our community and our team of volunteers. This year we are recognizing Idalia and Rody Gomez, long-time supporters and board members of Keshet. We are grateful for their commitment and generosity to the students of Keshet over the years. We also recognize my dear friend and colleague, Dr. Ami Kuttler. I have been blessed to work closely with Dr. Kuttler, an outstanding diagnostician, for many years and count on her expertise and insight. She truly understands children and thanks to her, hundreds, if not thousands, of children are properly diagnosed, and parents and schools are given a road map of how to best meet the needs of their children. Finally, we recognize two amazing young women who are Keshet's volunteers for 2023, Eden Lugassy and Sophia Lustigman. Eden is a graduating senior who spends countless hours promoting Keshet's social media. She always engages with our students and goes the extra mile to make sure they are included. Sophia, also a senior, is truly passionate about helping others. She volunteers in the Keshet classrooms and brings a smile to the faces of our students. Her experiences with Keshet have given her the desire to pursue a career in psychology. Mazel tov to all our honorees for their commitment to our school. We truly are lucky to have their support!!

Dear Friends,

On behalf of the Officers, Board of Directors and Staff of the Greater Miami Jewish Federation, we recognize the Kloda Whitebook Keshet Academy on its 2023 Journal Dinner.

We join you in acknowledging your honorees Idalia & Rody Gomez and Dr. Ami Flam Kuttler for their leadership and commitment to the Keshet Academy and our community. Further, we congratulate Student Volunteer Award recipients Eden Lugassy and Sophia Lustigman for their dedication to serving others and setting examples of selflessness for their peers.

Knowledge and Jewish values are universal inheritances for all our children, regardless of their developmental or emotional challenges. It is in this spirit that the Kloda Whitebook Keshet Academy provides secular and Jewish studies curricula that are responsive to the individualized learning styles of its students. Keshet Academy's Head of School Rabbi Ezra Levy, administrators and faculty, in collaboration with its parents, have created a caring, innovative teaching environment that is a recognized model of successful special education for Jewish schools.

The Greater Miami Jewish Federation is proud to support Keshet Academy as a beneficiary of the Annual Federation/UJA Campaign. We share your belief that all children can learn and can play valued, meaningful roles in our society. Together, we will continue to shape a truly compassionate, inclusive Jewish future.

VISION, MISSION AND BELIEFS

KESHER'S VISION

is to be the model and comprehensive resource in the provision of special needs education within Jewish schools.

KESHER'S MISSION

is to provide, and guide other schools in providing, an education in both Jewish and secular studies that meets the needs of the individual student, and which empowers each student to reach his/her highest level of independent and interdependent functioning.

KESHER'S BELIEFS

In its approach to students and their families, hiring of faculty, and educational programming and services, Keshet believes:

- all children can learn.
- in Jewish education based on Torah values.
- in providing a balance between the finest Judaic and secular studies for each child.
- in providing the best special education environment to meet the educational, physical, emotional and spiritual needs of each child.
- in individualized curriculum and instructional practices that meet the students' learning styles in the least restrictive environment.
- that teachers' love of teaching will inspire every child.
- that utilizing differentiated instruction (visual, auditory, kinesthetic and tactile) is vital to enhancing student learning.
- in the sanctity of the family, and working to provide for the emotional, educational, and spiritual needs of each Keshet family.
- that students, teachers, administrators, volunteers, parents and community members share in the responsibility to provide an optimum supportive learning environment.

Mom and Dad,

Words cannot express how happy we are for you to receive this award. As parents, you have given us the world, taught us valuable lessons, and given us endless love and support. You have always instilled in us to be kind and caring and to practice what you preach. That's exactly what you've done and will continue to do for Keshet.

We cannot even begin to think about how many lives you have changed with your commitment and generosity to this great establishment. All I can say is, we love you and never change, because without you, us and a lot of others wouldn't be who we are today.

Congratulations again!

Bridging the gap to the next generation

At BLS Wealth Management, LLC, every client, whether you are generation X, a baby boomer or a millennial, deserves great service and support. Our personable approach to comprehensive financial planning begins with our investment in you and then bridging the gap with your loved ones, your business, and your future. This is our mission and the reason why we are committed to helping you get the most out of your financial life now and for generations to come.

It's also the reason we are proud to support Keshet Chai Society, an organization dedicated to improving the lives of individuals through education and personal attention. Mazel Tov to this year's honorees. May you continue to be an inspiration and make a difference from the work that you do!

The logo for People First, Inc. features a large, stylized capital letter "P" in a serif font. To the right of the "P" is a row of seven red silhouettes of people of varying heights, standing side-by-side. Below the "P" and the silhouettes, the words "PEOPLE FIRST, INC." are written in a large, serif, all-caps font. Underneath this, the tagline "Providing Premier Payroll, Human Resource & Bookkeeping Services" is written in a smaller, italicized serif font.
