

Providing the Finest Quality Special Education in a Jewish Day School Setting

ADMISSIONS

Kloda Whitebook Keshet Academy has long endeavored to not turn away any child we can serve. Admissions are based on the critical analysis of recent psycho-educational testing, a pre-enrollment interview with the educational director and/or an observation in the child's present learning environment. All enrollment decisions are made by an intake committee. Applications to Keshet are by invitation after our review process. A current psycho-educational evaluation is required. Please see our admission testing requirements here.

STEP 1: Contact the office at 305.792.7060 or email admissions@keshetld.org

STEP 2: Schedule Call with Admission's Coordinator

STEP 3: Submission of most recent psycho- educational assessment as well as prior individual education plans and/or teacher reports

STEP 4: Please fill out and submit the Student Release Form.

STEP 5: Once our admissions team has reviewed all required information, they will determine if the prospective student is a candidate. During this process a tour and campus activity day visit will be scheduled. A decision will be rendered at the completion of our admissions review.
